LUNCH...
LUNCH, HUH?

DEN-CHAN! DON'T EAT IT ALL!
I'LL EAT IT!
PLEASE... MY LUNCH IS IN THERE TOO...
YES, OVER THERE.
BELL-DANDY-SEMPAI, MY LUNCH...
HELLO! SORRY I'M LATE!
shlorp

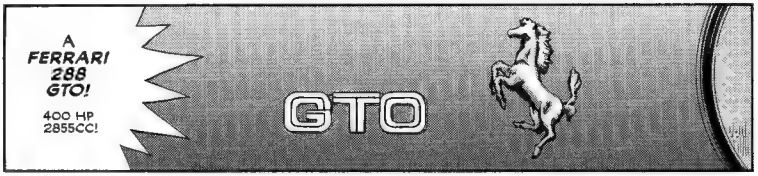
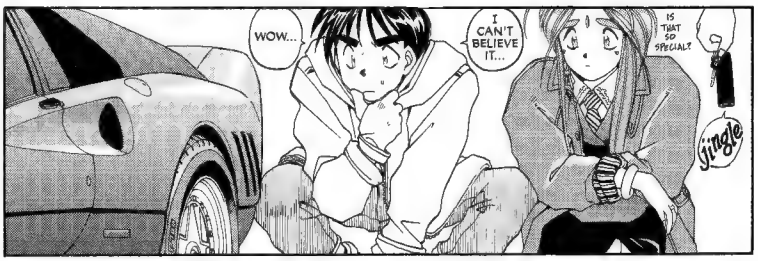
urp!
errrp!

um... I HEARD THERE WAS A PARTY AT THE MOTOR CLUB TODAY...
MAY-BE NOT?
N-NOT THE DREADED GRIZZLY HUG OF INITIATION!
um...
SQUEEZE!
WEL-COME TO DA CLUB!
SQUEEZE!
WELL, YES, KIND OF, BUT...
ARRRR!
um...
um...
TEN MORE PEOPLE WANDERED IN TO JOIN IN THE NEXT HOUR. AMAZINGLY... HALF OF THEM STAYED.
WELCOME TO DA CLUB!
WELCOME!
NEW MEMBERS!
NYAH
HURK!!

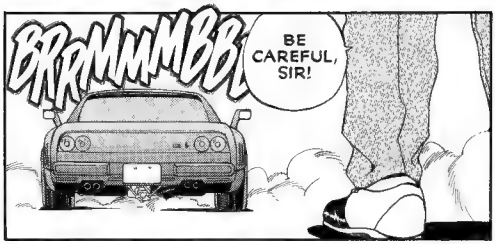
FIVE NEW MEMBERS... WELL... THAT'S NOT SO BAD...
SIR?
BRRMMM
HEADING HOME, YOU TWO?
HOLY PININ-FARINA!



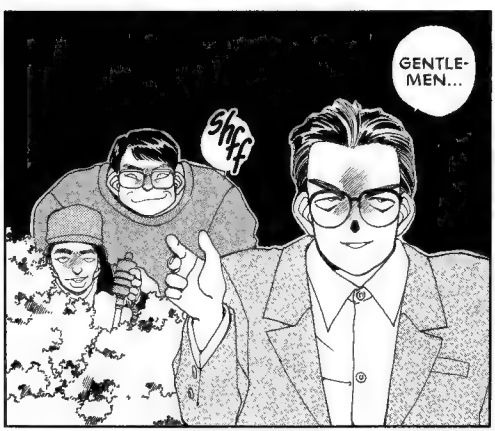
A FERRARI 288 GTO!
400 HP 2855CC!
GTO



WOW...
I CAN'T BELIEVE IT...
IS THAT SO SPECIAL?
jiggle



BRRMMMBB
BE CAREFUL, SIR!

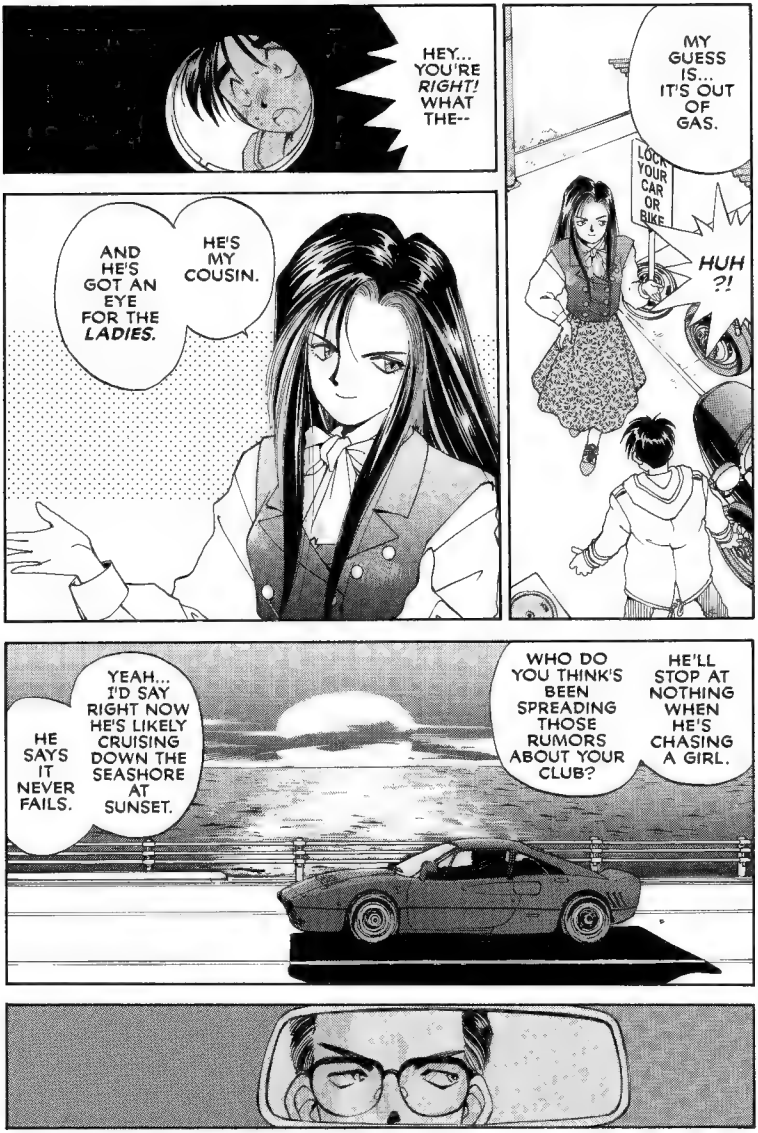


GENTLE-MEN...
shff

I HEAR YOU'RE THE BEST DRIVER IN THE CLUB, SO WHY DON'T YOU TAKE IT FOR A LITTLE SPIN, SIR?
huh?

BRRMMM
KREEEE
YES...
...
496.229 N-m TORQUE!
EVEN AN AIR CONDITIONER!
HM?
VRRM
MY BIKE WON'T START.
IS SOMETHING WRONG?
...IF IT'S ANY HELP, I'D BE GLAD TO DRIVE THE LADY HOME!
WELL...
HEY, THANKS A LOT!
THAT WAS *INCREDIBLE!*
FOR YOU, SIR... ANYTHING.
AOSHIMA... THERE'S A DARK SHADOW AROUND HIM THAT COMES AND GOES...
WHAT IS IT, I WONDER?

I SHOULD BE BACK IN TIME FOR DINNER, HEY?
I THINK IT'S GOING TO TAKE A LITTLE WHILE.
damn
OH, I COULDN'T LEAVE KEIICHI! I'LL STAY HERE UNTIL IT'S FIXED!
I'LL FIX SOME-THING REALLY SPECIAL!
OKAY!
STRANGE... DISTRI-BUTOR CABLES ARE OKAY...
THE STARTER WORKS.. HMM.
THEY LEFT, DID THEY?
LOCK YOUR CAR OR BIKE



HEY... YOU'RE *RIGHT!* WHAT THE--
MY GUESS IS... IT'S OUT OF GAS.
LOCK YOUR CAR OR BIKE
HUH ?!
HE'S MY COUSIN.
AND HE'S GOT AN EYE FOR THE *LADIES.*
HE'LL STOP AT NOTHING WHEN HE'S CHASING A GIRL.
WHO DO YOU THINK'S BEEN SPREADING THOSE RUMORS ABOUT YOUR CLUB?
YEAH... I'D SAY RIGHT NOW HE'S LIKELY CRUISING DOWN THE SEASHORE AT SUNSET.
HE SAYS IT NEVER FAILS.

OH! HOW BEAUTI-FUL!
SHE'S AS GOOD AS GOT.
OH, IT'S FINE!
I HAVE TO MAKE A BRIEF STOP, IF YOU DON'T MIND.

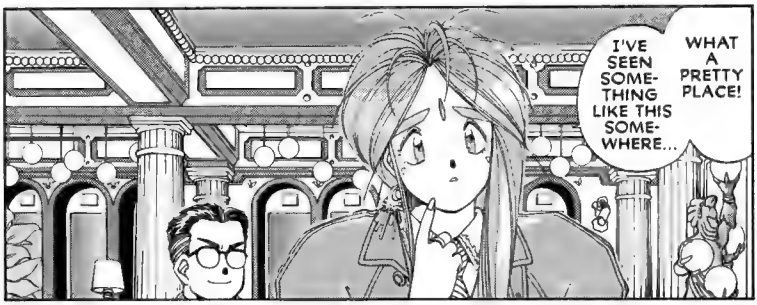
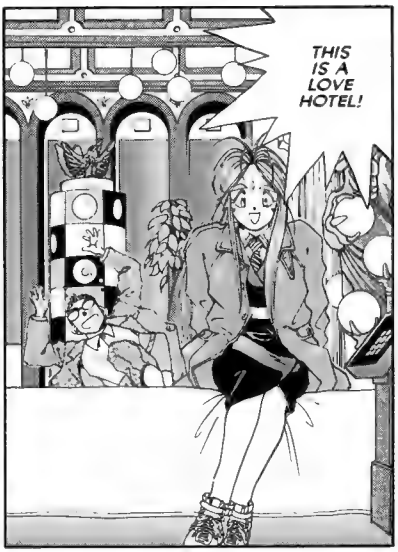
NOTE: REBUILT AFTER CHAPTER 12!
WELL, IT WOULD HURT MY PRIDE TO GET HIM ON THE REBOUND.
BUT I WILL GET HIM.

HOTEL MAGIC 3
HOTEL MAGIC 3
HOTEL MAGIC 3



WHAT A PRETTY PLACE!
I'VE SEEN SOME-THING LIKE THIS SOME-WHERE...

WOW... SO YOU... KNOW WHAT THIS IS, HUH...?



THIS IS A LOVE HOTEL!

OH!

WELL, THEN... YOU KNOW WHY WE'RE HERE.
WHOOSH
huh?
okay...
WHUMP
WHUMP

NO WOMAN CAN EVER REALLY LOVE YOU IF YOU'RE LIKE THAT.
YOU MUSTN'T BE SO PUSHY.
WHY, YOU LITTLE *TEASE!* YOU GOT IN THE *CAR*, DIDN'T YOU?
O Vortex, Descend Before Me!
Bear Him Away to Contemplate His Error!
FZAK ZKK

THAT'S HIS CAR--BUT HOW AM I GOING TO FIND THE RIGHT ROOM?!
HOTEL
HEY... uh... WAIT...
VWHIPP
VWHIPP
VWHIPP

SKRASH

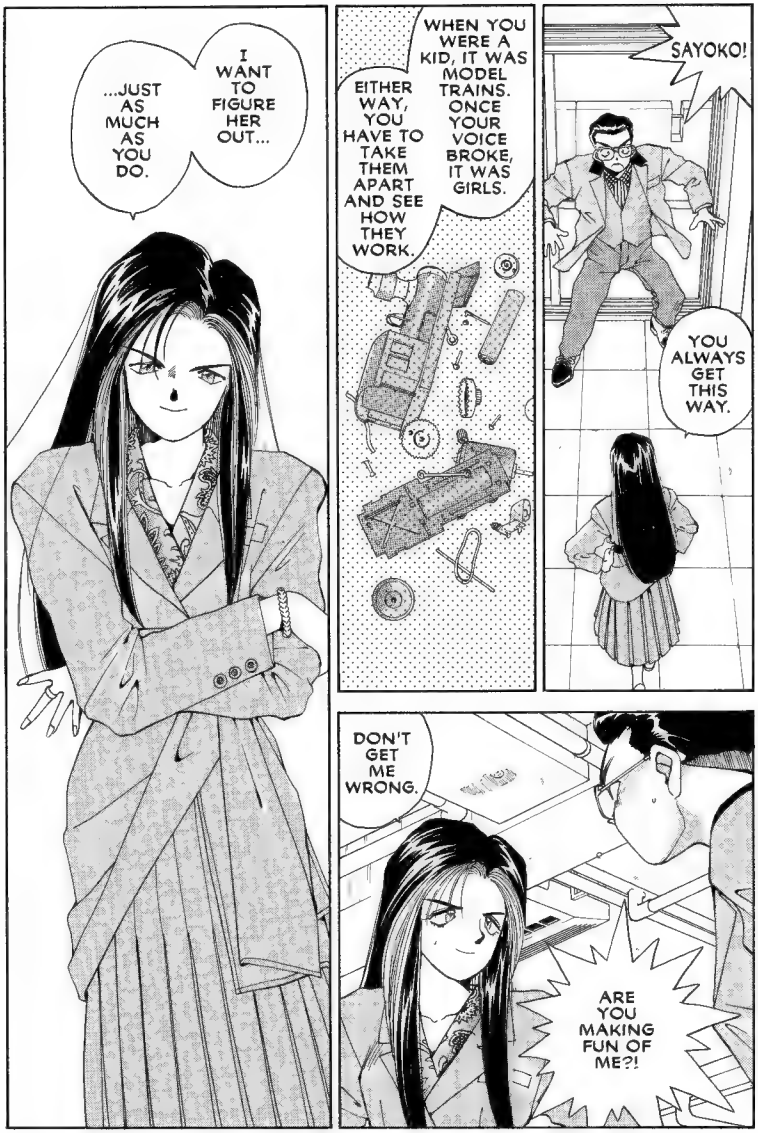
EEEYAAA!!!
VVEEEEEE
WHAM
BELL-DANDY!!
SHE GOT SO ANGRY...
...SHE RAN OUT OF POWER.
I DIDN'T GET THAT LAST PART.
shiver shiver

CHAPTER 21

Exposing a Secret

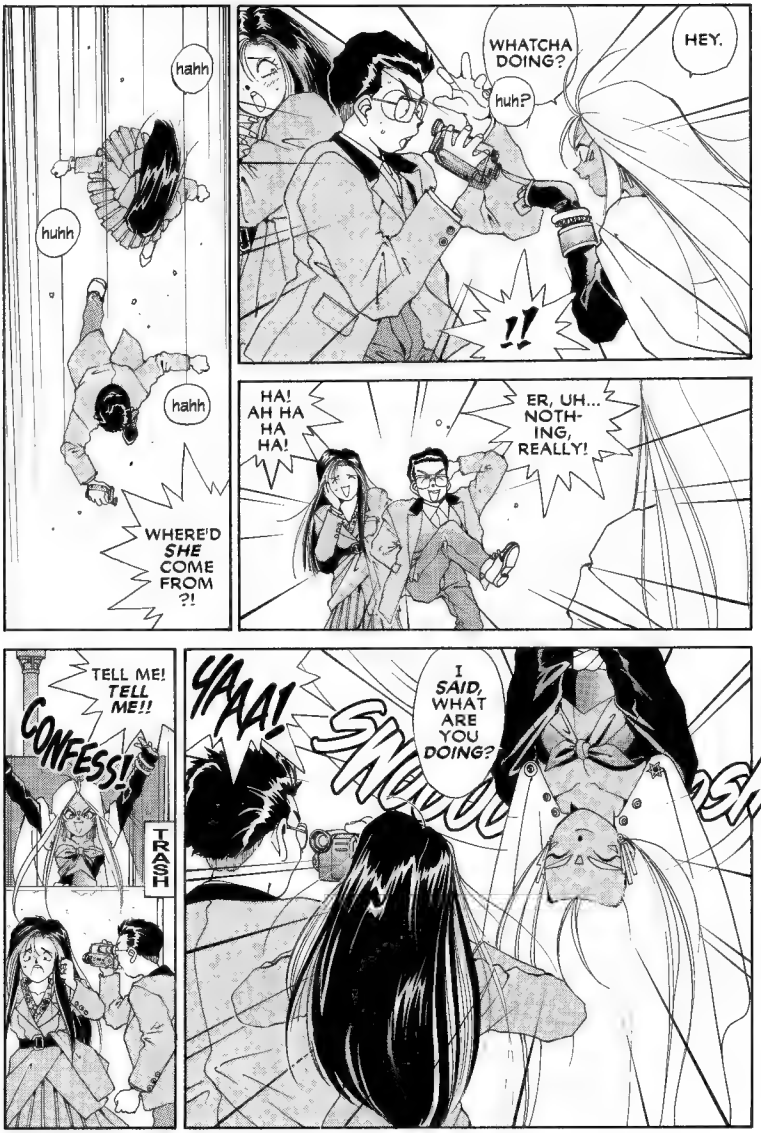
URD TOO? *HEY*, NOW!
YES, THEY ARE.
OH... THEY'RE WITH *HIM*.
BELL-DANDY... HMM...

EEEYAAA!!!
VWEEEEEE
WHOOSH
WHAM
Huh?
DID I JUST DREAM ALL THAT ...?
TOSHI-YUKI.
IS SHE A MAGICIAN?
AN ESPER?
HEY...
...WOMAN OF MYSTERY, ISN'T SHE...?
MAYBE IT'S SAFER TO THINK I'M JUST CRAZY...



SAYOKO!
YOU ALWAYS GET THIS WAY.
WHEN YOU WERE A KID, IT WAS MODEL TRAINS. ONCE YOUR VOICE BROKE, IT WAS GIRLS.
EITHER WAY, YOU HAVE TO TAKE THEM APART AND SEE HOW THEY WORK.
I WANT TO FIGURE HER OUT...
...JUST AS MUCH AS YOU DO.
DON'T GET ME WRONG.
ARE YOU MAKING FUN OF ME?!

HEY, WE GOTTA GO!
THERE IT IS AGAIN...
SOME KIND OF BAD OMEN.
mmm
...WE'RE BOUND TO CATCH SOME-THING.
IF WE STICK TO THEM LIKE GLUE...
COMING!
YAAA!
boing!



hahh
huhh
hahh
WHERE'D SHE COME FROM ?!
HEY.
WHATCHA DOING?
huh?
!!
HA! AH HA HA HA!
ER, UH... NOTH-ING, REALLY!
TELL ME! TELL ME!!
CONFESS!
TRASH
YAAA!
I SAID, WHAT ARE YOU DOING?

WELL, FORTUNATELY, THIS CAMPUS HAS A PARANORMAL PHENOMENA CLUB. WE'LL JUST TAKE THIS TAPE TO THEM, AND...
HARGH!
YOU THINK SO?
ISN'T THERE SOMETHING A LITTLE STRANGE ABOUT THE WAY SHE GETS AROUND?
huhh
hahh
I THINK WE LOST HER.
haa
hahh
hff
THAT'S THE OLDEST MISTAKE IN THE BOOK!
WHAT ?!
THERE'S NO TAPE IN HERE!

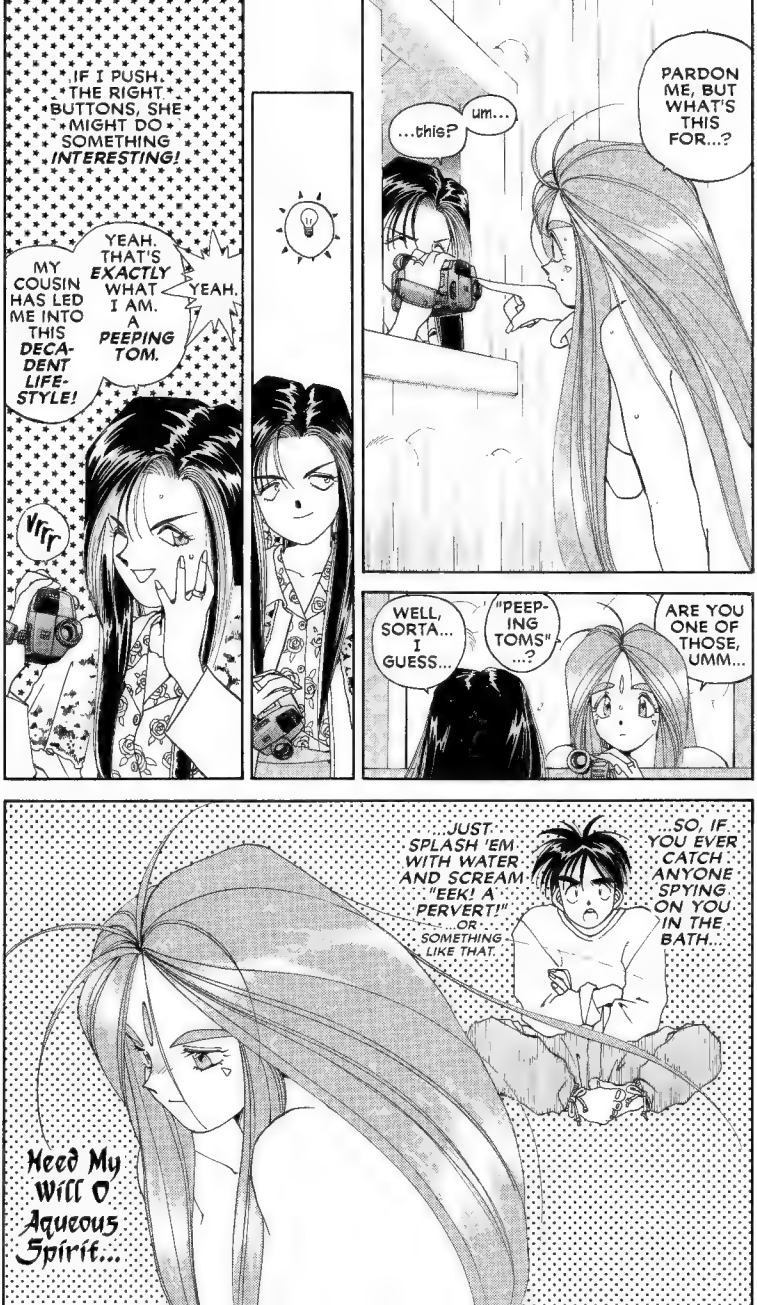
fripp
WHAT'S THAT YOU'VE GOT THERE?
SAYOKO AND THAT AOSHIMA SCHMUCK WERE UP TO NO GOOD.
SO I DID THE OLD URD *SLEIGHT-OF-HAND.*
NOW, IF THEY WERE JUST AFTER *ME*, I'D HAVE A LITTLE FUN WITH THEM, BUT...
bye
I THINK THEY'RE OUT TO GET YOU AND BELL.
JEEZ, NOT *AGAIN!*

...I DON'T WANT THEM CAUSING YOU GUYS TROUBLE.
THAT'S MY JOB.
SO... JUDGING BY PAST EVENTS...
...IT SEEMS LIKE WHENEVER SHE GETS CONFRONTED BY SOME SORT OF CRISIS, WEIRD THINGS START TO HAPPEN.
HM?!
sniff
sniff
LOOK, MY FATHER HAS AN ABSOLUTE FIT IF I DON'T DRESS NICELY WHEN I GO OUT. SPYING OR NOT.
BESIDES, LOOK WHO'S TALKING.
BY THE WAY, DO YOU ALWAYS DRESS UP LIKE THAT WHEN YOU'RE SPYING ON SOMEONE?
hmf
YEAH, THAT WOULD EXPLAIN WHAT HAPPENED TO ME...
BUT, EVEN SO...

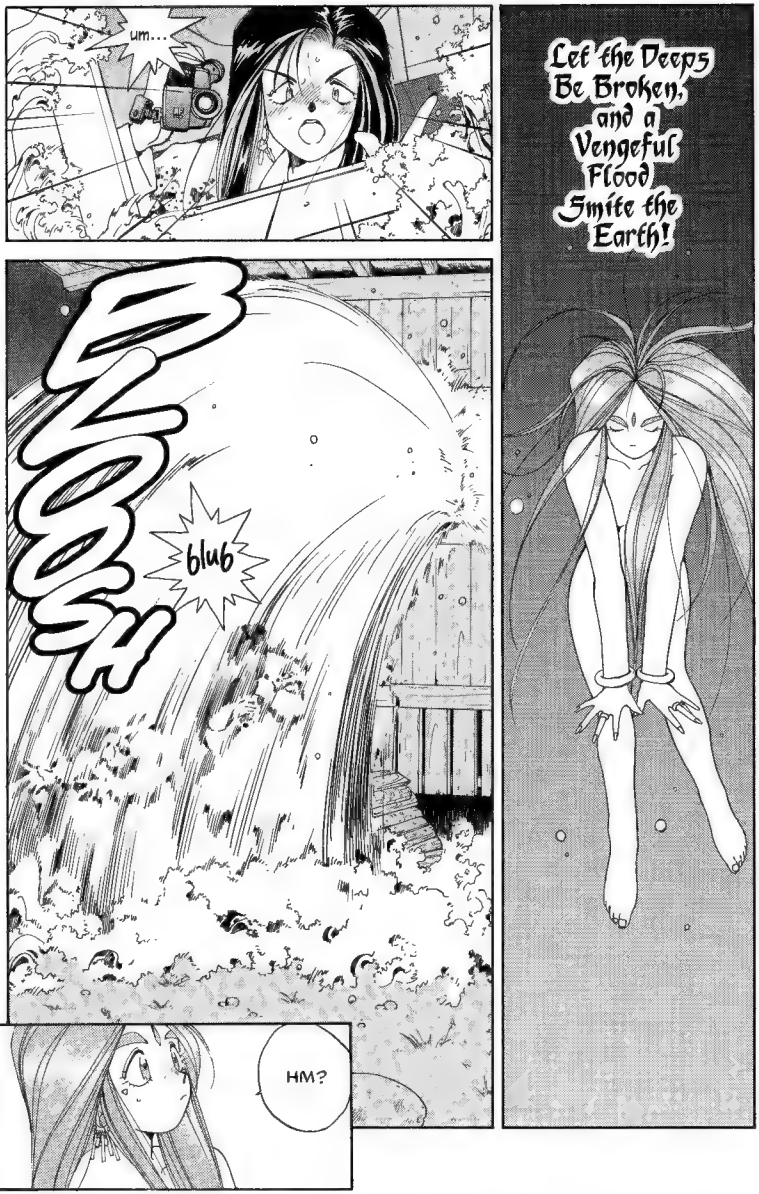
IN HERE!!
HUH?
THIS WAY!!
sniff sniff
ONCE I SMELL A WOMAN'S SCENT I NEVER FORGET IT.

IT'S... IT'S...!
HUH!
I...I CAN'T TAKE IT!!
HER BODY! ITS GOLDEN SHEEN!
HER SKIN... LIKE GRADE-A WHIPPED CREAM!

ANY-WAY, THANK YOU, GOD!!
...I'M RUNNING OUT OF SUPERLATIVES HERE ..
IT'S... IT'S...
DO YOU THINK SHE'S *HEARD* YOU YET?!
boing!
YAAA!
OKAY...
GIVE ME THAT!
MEN THEY'RE ALL ALIKE...



IF I PUSH THE RIGHT BUTTONS, SHE MIGHT DO SOMETHING *INTERESTING!*
MY COUSIN HAS LED ME INTO THIS *DECA-DENT LIFE-STYLE!*
YEAH. THAT'S *EXACTLY* WHAT I AM. A *PEEPING TOM.*
YEAH.
Vrrr
PARDON ME, BUT WHAT'S THIS FOR...?
um...
...this?
WELL, SORTA... I GUESS...
"PEEP-ING TOMS" ...?
ARE YOU ONE OF THOSE, UMM...
...SO, IF YOU EVER CATCH ANYONE SPYING ON YOU IN THE BATH...
...JUST SPLASH 'EM WITH WATER AND SCREAM "EEK! A PERVERT!" OR SOMETHING LIKE THAT.
Heed My Will O Aqueous Spirit...



um...
Let the Deeps Be Broken, and a Vengeful Flood Smite the Earth!
FLOOSH
blub
HM?

EEEK! A PERVERT!!
OH... I FOR-GOT.

VERT!!
THE ECHO!
THE ECHO!
SHAKE SHAKE

THE NEXT DAY
IT'S STILL ECHOING FOR ME. IS IT STILL ECHOING FOR YOU?
A LITTLE.

BELLDANDY, WE'RE GOING TO HAVE TO INTRODUCE YOU TO A LITTLE SOMETHING CALLED COMMON SENSE!
...
...BUT...
LOOK WHO'S TALK-ING...

WHAT'S SOMETHING I CAN DO TO BE MORE... RUTHLESS?
THE CAMERA WAS RUINED. THIS SOFT APPROACH ISN'T GETTING US ANY-WHERE.
WHAM
HAVE YOU SEEN KEIICHI?
NOPE.
...HI.
MEAN-WHILE, IN THE OLD GYM...
HE'S... HE'S VANISHED!

"RED-HAIRED DEVIL" NAKANO... VICE-PRESIDENT.
PRESI-DENT OF THE S&M CLUB!
I'M "NICE MIDDLE" YOSHINO,
THERE'S A NEW GAME WE LIKE TO PLAY, YOU SEE...
WOW! WE'VE GOT A S&M CLUB, TOO?!
I'M EXACTLY THE SORT OF GIRL YOU THOUGHT I WAS.
YEP, THAT'S RIGHT.
SAYOKO ...? YOU...?
DON'T WORRY. THEY'RE FRIENDS OF MINE.
!!

HE WAS INTRICATELY BOUND.
I SAW SOMEONE CARRYING HIM OVER TO THE OLD GYM.
REALLY ?!
THUMP
HUH? YOU'RE INTO S&M?
YOU OUGHTA GET SOME BETTER FRIENDS.
OUT ON CAM-PUS...
THANK YOU !!
NO PROB-LEM!
OTOKICHI CALLING...

AIEE!!
KEIICHI ?!
DAMMIT! THEY'RE TRYING TO TRAP HER!
SHE IS? OH, GOOD WORK!
YES?

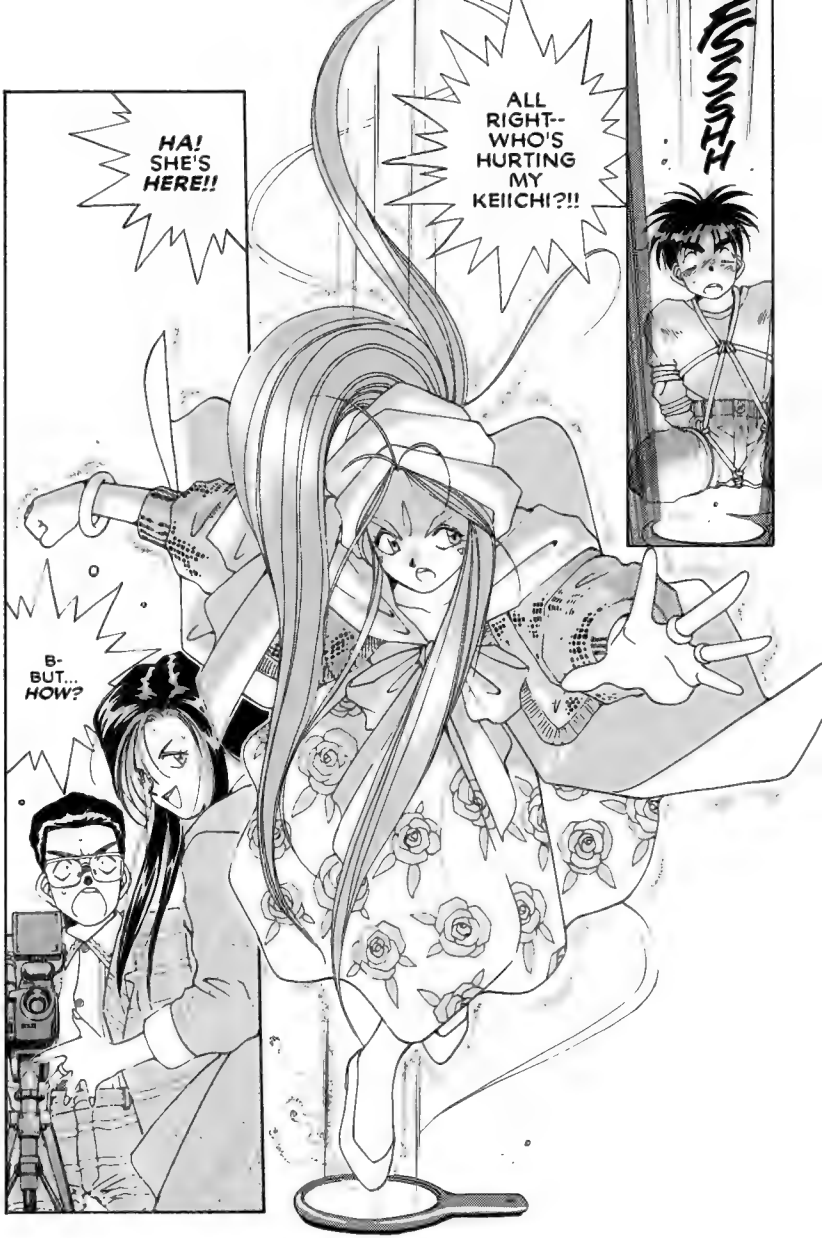
HA HA HA HA! KNEEL, DOGS! TASTE MY WHIP!



HA! SHE'S HERE!!
ALL RIGHT-- WHO'S HURTING MY KEIICHI?!!
SSSSHH
B- BUT... HOW?

BELL-DANDY! YOU'VE GOT TO STOP THEM!
eh?
eh?
?!
BOY... TOOK YOU LONG ENOUGH.
MORE CHASTISE-MENT, PLEASE.
OH YES, MISTRESS! LET ME FEEL THE DELICIOUS *STING* OF YOUR LASH!
THE CAMERA *MUST* HAVE CAUGHT HER SECRET!
GET THE TAPE-- LET'S *GO!*
HURRY, BELLDANDY! IF THEY FIND OUT ABOUT YOU, WE WON'T BE ABLE TO *STAY TOGETHER* ANYMORE!

SKREEEEECH!
TO THE PARA-NORMAL CLUB!!
AT LAST WE'LL KNOW!
I CAN'T WAIT TO WATCH IT!
A MAXWELL'S DEMON STONE!!
twip
WE... WE WON'T ...?

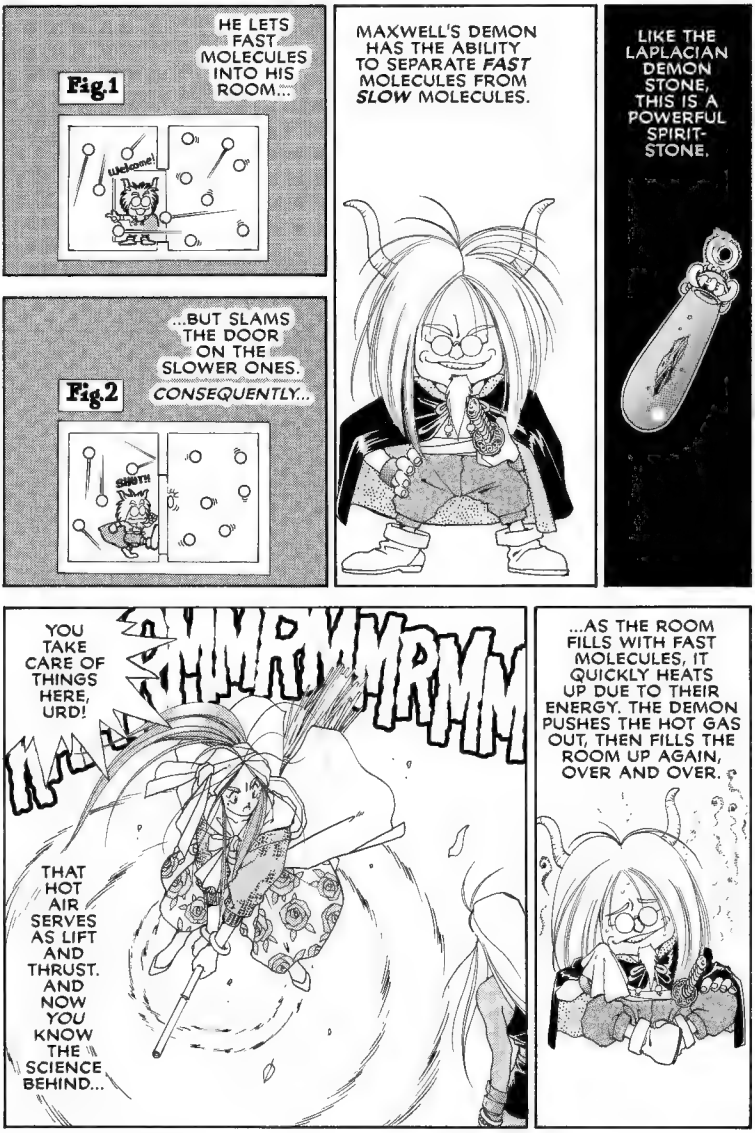


Fig.1
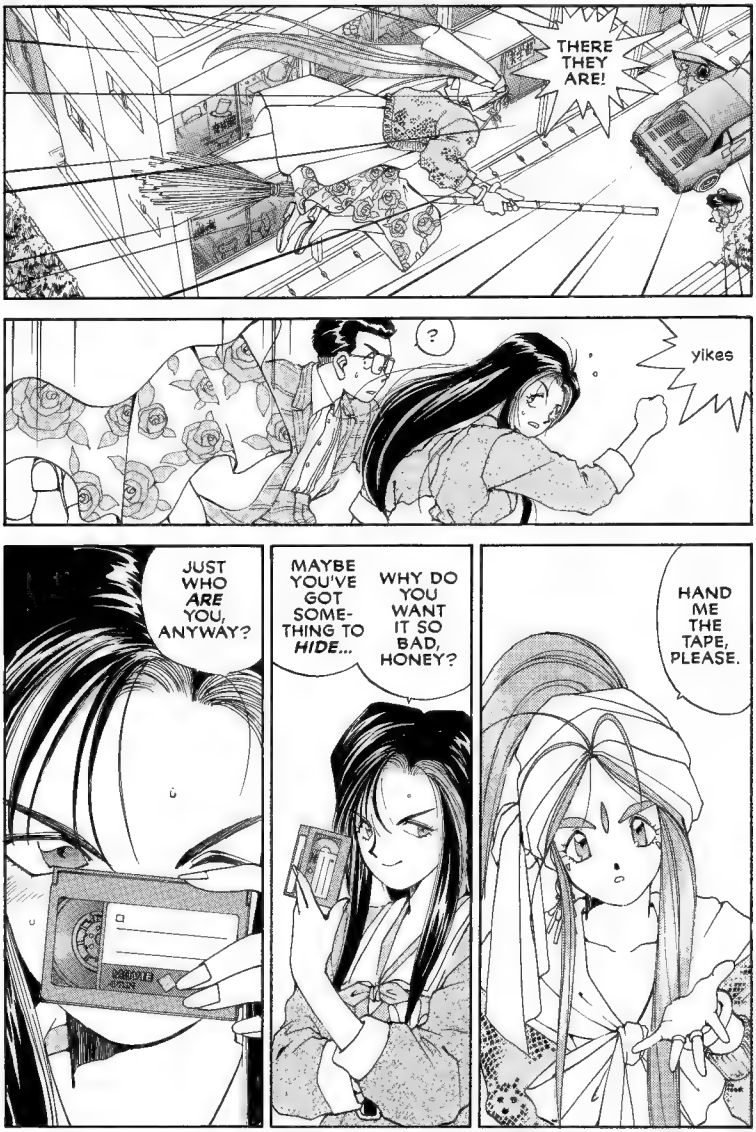
HE LETS FAST MOLECULES INTO HIS ROOM...
Fig.2
...BUT SLAMS THE DOOR ON THE SLOWER ONES.
CONSEQUENTLY...
MAXWELL'S DEMON HAS THE ABILITY TO SEPARATE *FAST* MOLECULES FROM *SLOW* MOLECULES.
LIKE THE LAPLACIAN DEMON STONE, THIS IS A POWERFUL SPIRIT-STONE.
YOU TAKE CARE OF THINGS HERE, URD!
THMRMMRMM
THAT HOT AIR SERVES AS LIFT AND THRUST. AND NOW *YOU* KNOW THE SCIENCE BEHIND...
...AS THE ROOM FILLS WITH FAST MOLECULES, IT QUICKLY HEATS UP DUE TO THEIR ENERGY. THE DEMON PUSHES THE HOT GAS OUT, THEN FILLS THE ROOM UP AGAIN, OVER AND OVER.

...BELL-DANDY'S MAXWELL'S DEMON-PROPELLED AERIAL BROOM!
FWOOSH!



THERE THEY ARE!
?
yikes
HAND ME THE TAPE, PLEASE.
WHY DO YOU WANT IT SO BAD, HONEY?
MAYBE YOU'VE GOT SOME-THING TO *HIDE*...
JUST WHO *ARE* YOU, ANYWAY?

WHO AM I...? NO ONE SPECIAL...
I'M JUST A...
YESS! SAY IT!!
...A GODDESS.
...
WOOOOOO
...
GOD-DESS... RIGHT...
IF YOU'RE GONNA LIE, TRY TO MAKE IT A LITTLE MORE BELIEVABLE! HA! HA!

THIS TIME, I SWITCHED THEIR TAPES.

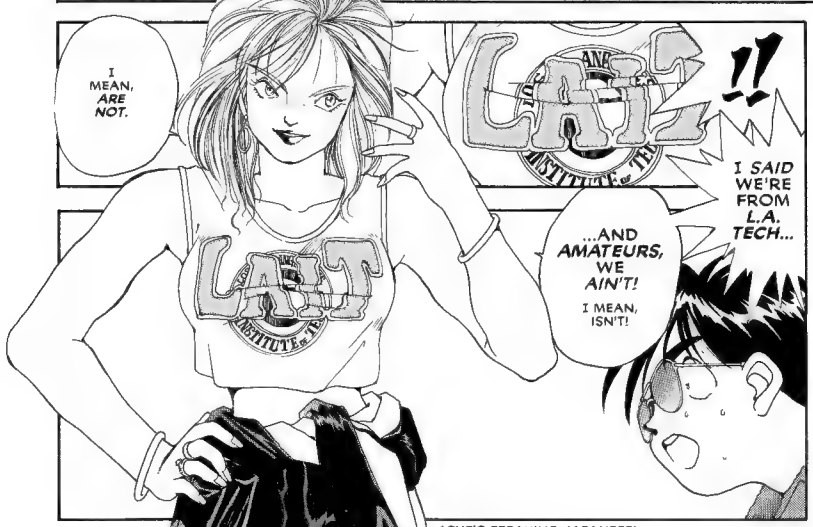
WELL, WELL, WELL...
I'LL BE *VERY* UPSET IF YOU *DON'T* LOSE, MY FRIEND.
(3) BELLDANDY DEFENDS HIM.
(4) BUT MORISATO, FEELING HIS MANHOOD THREATENED, REJECTS HER.
(5) BELLDANDY FEELS BAD.
(6) I CATCH HER ON THE REBOUND.
(7) I GET BORED WITH HER A FEW WEEKS LATER, AND MOVE ON TO THE NEXT GIRL.
IT'S THE *PERFECT* PLAN!!



*SHE'S SPEAKING JAPANESE!

In case you were wondering ^_^, your letters are read in Japan—ten, count them, ten copies of each English volume are sent to the editorial office of Kodansha, the original Japanese publisher. Editors are very important in the life of a manga-ka, for they protect that life from any and all threats to the production of the manga. On those rare occasions when manga artists are able to make time to visit a U.S. fan convention, they often bring their editor in tow—who then follows them around like that Marine who carries the President's nuclear launch codes. And you can bet they'll be working on the next issue late nights in their hotel room. But it's that kind of discipline which is necessary to put out a manga on time every month—let alone every month for the past seventeen years, like *Oh My Goddess!*

I'd like to kick off this volume's installment with a spectacular contribution from a reader, who, like Fujishima-san (and Keiichi), really cares about classic motorbikes.

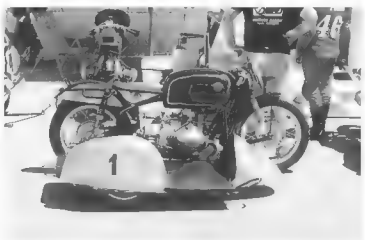
Dear Mr. Fujishima,

I thought you would appreciate seeing these photos I took of a couple of the motorcycles I've seen you portray in your *Oh My Goddess!* series.

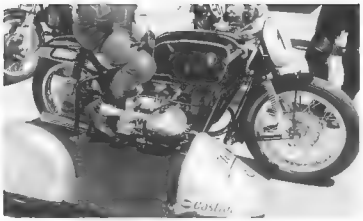
The pictures were taken at Willow Springs Raceway in Rosamond, California, at the annual Corsa Moto Classica sponsored by The Garage Company here in Los Angeles. Part of the festivities involves a demonstration of the many famous race bikes of the past. I've seen the Moto Guzzi V-8, various MV [for *Meccanica Verghera*—it sounds like something out of *FLCL*—ed.] Threes and Fours, a Bennell, and a Gilera Four. They may not be as fast as the latest raceware, but they sure are glamorous!

Thank you for your wonderful series on the adventures of Kei-chan and his lovely lady Belldandy.

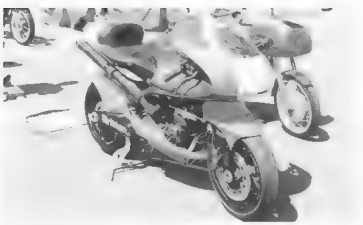
Sincerely,
Albert Sheean
Granada Hills, CA



Keiichi's BMW Rennsport (with a Steib sidecar for Belldandy!). As seen since the very first chapter of *OMG!*. Note that K1's model is a modified Oscar Liebmann Special (for more details on this, see "The Goddess Garage" in *Oh My Goddess!* COLORS).



Close-up on the Rennsport. Mr. Sheean notes it "needs Ceriani forks and a big 4LS Fontana front brake to be similar to Keiichi's." And of course, Keiichi being in Japan, his sidecar is mounted on the other side.



A Britten V1000 motorcycle, the design of the late John Britten of New Zealand, and one of only ten in the world. Mr. Sheean notes you can see a poster of it on Chihiro's shop wall in *Ah! My Goddess* (sic ^_^) *The Movie*. It isn't surprising that Chihiro would feel a spiritual kinship with the innovative, hand-made ethic of the Britten. Sheean notes it was demonstrated "to a very appreciative crowd."

The editor's own twin sister, by the way, is a motorcycle fiend. Come to think of it, so is Studio Proteus's Toren Smith (who produced Dark Horse's original English version of this manga) and the dean of manga scholarship and translation, Fred Schodt. The editor himself will stick to his 1993 Ford Probe. At least in classic otaku style it's named for an anime character—it was christened the M.V. *Noriko Takaya*.

A word about Mr. Schodt, known best to Dark Horse readers as the translator of Shirow Masamune's works—he's compared the job to "deciphering R.E.M. lyrics." If you care about manga, you really owe it to yourself to read his English-language 1983 history and guidebook *Manga! Manga!*—the paperback version is cheap, but try and get the hardback if you can find it. Both contain hundreds of wonderful images from the last century (and farther) of manga, with the high production values you would expect from its publisher, Kodansha, the home of *Oh My Goddess!*

When *Manga! Manga!* first came out, it contained a history that was unknown to most people in the English-speaking world. Today, much of it is still unknown, even by manga fans. As said, the book is beautiful, and Schodt's research is solid—already fluent in Japanese, he knew personally many of the people in the manga industry he spoke to for the book (Osamu Tezuka himself writes the introduction!). But perhaps its greatest quality of all is its independence. In the late '80s, Western publishers discovered manga; in the late '90s, Western academics. *Manga! Manga!* is free of both perspectives; in 1983, there was, practically speaking, no manga yet being published in English (and of course, no Web to learn about them, either).

What this means is that *Manga! Manga!* is an authentic discovery of manga as they existed in Japan, and as the Japanese saw them. Covering the important genres of manga that existed in the early '80s (including ones still underrepresented here, like sports, salaryman, and four-panel gag manga), you'll be interested to see what hasn't changed (*shonen ai* and *rorikon* were both active then, even in top-selling manga magazines) and what has (the *otaku* demographic was still underground and largely un-marketed to). Even Katsuhiro Otomo is caught at the moment right before *AKIRA* made him a superstar; in *Manga! Manga!* you see the early avant-garde work (never

published outside of Japan to this day) that earned him his critical reputation.

Notes for this volume:

12.3: Apparently not; a close examination of his attire in Vols. 1 and 2 reveals nothing but T-shirts and pullovers. But wait! In the flashback of Sayoko dissing him freshman year (Vol. 1, 95.4) we see Keiichi in a suit. Maybe he burned it afterward, though. I personally would have burned it before.

12.6: The writing on the easel says on top "(About) the meeting, January 3rd" (probably a reminder note), while on the bottom it says, "I'm returning your tape, sempai." *Sempai* is a respectful term for someone who entered an organization earlier than you. It is often used in an academic context—a freshman referring to an upperclassman, or someone who's been in a campus club longer than you. Watch for Belldandy being called this in 84.5. It is sometimes translated as "Senior."

16.5: Presumably if Keiichi hadn't panicked, he would have realized Bell was more than capable of either making proper clothes (as demonstrated in Vol. 1) or making it *look* like he was wearing proper clothes (as demonstrated in Vol. 2). Of course, each approach would have no doubt carried its own seeds of wackiness therein.

18.1: Her conjured date's Japanese dialogue is written out in *katakana*, implying he is a foreigner—although it sounds a little odd to point that out, as Urd isn't even from this *planet*.

22.3: Urd's rather beautiful in that shot, isn't she? Sometimes the editor is moved to comment.

24.4: He also said "OH!" written out in English at this point (whereas *orientaru majikku* was again written out in katakana), another dead giveaway—foreigners always say "OH!" in manga (see also the comments on this in Vol. 2's "Letters to the Enchantress" article on the transliteration of names in *Oh My Goddess!*).

26.3: The original sound of the phone ringing was *pu-ru-ru-ru*. To this day, I still get creeped out whenever I call someone in Japan and hear the different phone tones—which is unreasonable, because every country has their own. But somehow different phone tones sound more disconcerting than even a whole different language. Maybe it's because phone tones are robotic and automatic, whereas language is not. A different tone suddenly reminds you of the "inhuman" element that enables this human communication.

27.2: A rather obvious play on Fujicolor; *poji* is a Japanese loan-word, modified from the English word "positive"; it is the term the Japanese use for a film positive (as opposed to a film negative). Michael Gombos, Japanese Licensing Manager at Dark Horse, was kind enough (as usual) to give me more detail. The top card is a vow to "Enter the Endurance Race and Win!" The card bearing the bird carries the slogan *kotoshi mo yoroshiku ne*, "Let's get along this year," or "Best Wishes for the Coming Year." Gombos remarks, "It's that untranslatable *yoroshiku* thingy. You know the story."

Now, in addition to all that, he vouchsafed the intelligence that these are prepaid postage cards the Japanese post office encourages people to buy and use to send their New Year's greetings. As an incentive, each card bears a lottery number, and the recipient (not the sender) can check to

see if they've won a prize. "Usually," says Gombos, "it's a lot of postage stamps."

27.4: Going from right to left, Gombos notes of the page beneath Keiichi's hand, "this doesn't look like a resolution . . . It's hard to tell what it is, but it reads: *bakuso torakku*, 'a blazing truck.' *Bakuso*, while not in most dictionaries, means something almost like a crazy train—an image of a truck that has gone wild with speed, and is coming at you, going off the rails, as it were; a crazy train. Next to that is written: 16 *ton*, or 16 tons."

(The editor wishes to note at this point that the first time he went to Japan, he was in this little store selling Sanrio goods, when suddenly Tennessee Ernie Ford's rendition of "Sixteen Tons" came playing over the loudspeaker. The somber tone so unbefit the merchandise that I cracked up, drawing stares—and I didn't even know then that Ford was a bombadier in B-29s over Japan before his country career.)

Moving on, Gombos remarks of the lighter grey lettering below the tip of Keiichi's brush, "he's writing, presumably, a note to himself saying *usukatta*, meaning that the ink is too thin—hence the light grey letters. The thing is, though, his kanji are wrong. *Usui* reads: 薄い. This is missing the radical on the top. To give you an example of the radical that's missing, check the 楽 character against 薬.

On the upper left side, the diagonal "newspaper headline" (white lettering in the black box) reads ("and this has to be inferred," notes Gombos, "since it doesn't finish"), *Otegami arigatou*, "thanks for the letter." The "sub-headline" immediately to its left reads, *teepu wo kureta Tomimura Akira-san:* "Akira Tomimura, that gave me the tape." Below and to the left, in the "fine print" of the "article" are written the apparent names: *Kusama, Chiyoko Yokoo, Ika tasuu no: And below, many other—*" It breaks off there. Gombos speculates, "Many other people? Many other incidents? Who knows?" We're not absolutely sure of these kanji name readings, but then again, we're not exactly sure how we could check them either, short of asking Mr. Fujishima whom he meant to reference in this in-joke dating from the administration of the elder Bush.

Finally, the large medium-grey letters at bottom left say most likely *burakku*, which means, well, black. Black what isn't specified.

The editor shudders to think that he could have simply asked Susie Lee to white this all out, and nobody would have been the wiser.

33.3: *Sugoroku* means "a pair of sixes," as in dice. It's traditional during New Year's in Japan to play games. Sugoroku originally referred to two traditional types of board game—one like backgammon, and the other like what is known in the United States as Chutes and Ladders (more commonly in the rest of the world, "Snakes and Ladders"). Urd's version is a play on a meaning it developed in Japan after 1988, when the Takara toy corporation (called "Dakara" here) produced a Japanese version of Milton Bradley's The Game of Life, which became a tremendous hit in Japan. It uses no dice, but rather Life's traditional spinning wheel—thus taking Sugoroku one step further from its origins.

34.4: Jan-Paul Rocchina from *Armored Trooper Votoms*, whom the editor is sometimes said to resemble.

38.1: In the original Japanese version of the manga, the money amounts in the game were, in fact, in dollars—so this is not an oversight on the editor's part ^_^ In the first (i.e., flopped) English-language edition of *Oh My Goddess!*, yen references were often

converted into dollars. In this edition, they are left as their original yen amounts—or, in this unusual case, original dollar amounts.

41.1.1: The art of gaffing roulette wheels is described in the wonderful 1961 *Scarne's Complete Guide to Gambling*. In the original James Bond novels by Ian Fleming, 007 would open a book by Scarne whenever he needed to refresh his gambling skills, so you know it comes highly recommended. The new Bond film coming out in November, *Casino Royale*, is said to be a return to the original Fleming style, so you might want to consult it yourself beforehand (there is a rumor, however, that 007 will now be playing Texas Hold 'Em instead of baccarat).

Not unlike *Manga! Manga!*, *Scarne's* is a compendium of forgotten history, much of which is still relevant today (for example, the same schemes for winning at blackjack that get dusted off every few years). Also not unlike Schodt's book, Scarne's has a lot of great photos and illustrations of a bygone age of gambling (there was not a *single* legal state lottery game in the U.S. in 1961; on the other hand, Frank Sinatra was at The Sands, shooting craps in a tuxedo). Author John Scarne spends a fair amount of time discussing how cheating is done, including all the tricks in carnival games such as ring toss, milk bottles, and the shell game. The Japanese angle (you knew there must be one) is that pachinko was inspired by the old carny game of the "drop case"—sort of a folding, suitcase version of *pachinko* that was frequently rigged.

41.1.2: Pierre-Simon Laplace (1749-1827), an astronomer who also did much to advance probability theory, and hence an appropriate sort of demon for Urd's game. Scarne points out that it was aristocratic gamblers who first asked scientists to examine the laws of chance in a systematic manner, and probability theory has since gone on to be of use in many fields of study.

41.3: That doohickey on the far left appears to be a model of the *Voyager* space probe—actually a pair of probes, *Voyager 1* and *2*, which between them visited Jupiter, Saturn, Uranus, and Neptune in the 1970s and '80s. *Voyager 1* is now so far away from Earth that it takes a radio message, travelling at the speed of light, thirteen hours to reach it. Both probes are still transmitting, and scientists hope to use them to learn something about interstellar space. In the unlikely event the probes are ever found by aliens, each one carries a gold-plated record album (remember, this *was* the '70s—but instructions on how to play it are included as pictographs) containing encoded images and sounds of Earth, including music and greetings in fifty-five languages. It's quite possible that some day this record may be all that remains of human civilization. The editor used to live near the Johnson Space Center in Houston as a child—the visitor's center, while shabby then (and garish now) still held romance for its artifacts, including a copy of the golden record, which was played continuously for the tourists.

42.2: Miho Nakayama was, and is, a J-pop singer and actress who had just turned twenty at the time Vol. 3 first came out in Japan. She was known as the "woman in the commercial" for such companies as Kirin Beer and NEC. You may have heard about big-name American actors who wouldn't be caught dead doing commercials in the U.S., going to Japan and doing them for big bucks. In truth, there's simply not as much stigma in general in Japan toward the idea of actors promoting products. It keeps them where they want to be in their career (in the public eye) and it's almost always better paid than movie work. The actor who

can command a $20 or $25 million-dollar fee for a film simply doesn't exist in Japan; first of all, very few films there even have a budget that amount. Ms. Nakayama's website, which is in Japanese, is at www.nakayama-miho.net.

Jazz musician (playing piano and synth) and composer Akiko Yano was born in 1955, and until quite recently was married to Ryuichi Sakamoto, who wrote the key themes to Studio Gainax's (*Evangelion*)1987 debut film, *Royal Space Force*. Yano herself was heavily involved in the soundtrack to Isao Takahata's idiosyncratic (even for him) 1999 anime film *My Neighbor the Yamadas*, which Urian Brown once described as a "ninety-minute Hallmark card" (it's actually 104 minutes, but it moves fast). Ms. Yano, who lives in New York City, has an English-language website at www.akikoyano.com.

The late actor, film director, and screenwriter Juzo Itami, who died under mysterious circumstances in 1997, gained an international reputation for his 1985 "noodle western" *Tampopo*. As Hayao Miyazaki has done thus far with *Princess Mononoke* and *Spirited Away*, he won the Japan Academy Award for Best Picture twice, for *The Funeral* and *A Taxing Woman*. Mr. Itami is forgiven for *A Taxing Woman* beating out *Royal Space Force* in the 1987 *Kinema Jumpo* poll.

43.1: The "OH NO!" here is Kosuke Fujishima's original English sound FX. Why Tamiya bemoans his fate in English is not clear, but it's probably a form of comic emphasis. Almost all Japanese readers would have understood the English expression—see also the commentary in

46.1: The original *onegai* just sounds so much more sensual (if the word is proper in reference to Belldandy) than "please." Although I suppose it too can be given just as whiny an intonation as "pleeeeaaaaaaase?"

48.1: Sometimes I think their relationship has been becoming *less* physical as time goes on.

48.2: I can only *presume* that Sayoko is just trying to show up Belldandy, as usual. *Oh My Goddess!* is often called a classic example of a "harem" anime, where a bunch of cute girls are fighting over a non-threatening male—*Negima* carries this to its absurd extremes, with thirty-one older women in rivalry over a ten-year-old boy—but in *OMG!* they're not so much fighting *over* him as fighting *through* him. If you imagine two rooms: one, locked from the outside, containing Sayoko; the other, locked from the inside, containing her lost status as queen of Nekomi Tech, then Keiichi would be the sheet of drywall between them.

50.3: It was still unusual (even at engineering schools) in March of 1990, when this story appeared in *Afternoon*, for college students to own a personal computer. At the time, Japan also lagged behind the U.S. in general in PC usage—hence being able to use the computer lab's facilities would have been all the more important.

54.1: Saitama is the prefecture directly to the northwest of Tokyo, and is full of what could be described as "bedroom communities" of Tokyo. However, we were unable to determine the origin of this song—we don't know of a town or village in Saitama named "Matsuba," for example. No doubt someone out there can unlock the secrets of this reference, and we would be glad to hear—although try not to say it in a voice like Eddie Deezen's from *WarGames*. Also, I don't know what that giant cat is doing in the background; and, I suspect, neither do you.

66.7: Keiichi's clock uses a shorthand version of the signs that mark the traditional twelve-year Chinese cycle (as in "I was born in the Year of the _____"). Clockwise from the top, it's Rat, Ox, Tiger, Rabbit, Dragon, Snake, Horse, Sheep, Monkey, Rooster, Dog, and Pig.

74.4: Who's that four-eyed fellow just to the right of Bell-chan? Why, it's Studio Gainax's Hideaki Anno, director of an obscure anime named *Neon Genesis Evangelion*. That would be five years in his future; at the time this story appeared in *Afternoon* magazine (May 1990), Anno had just begun what was to be Gainax's *first* big TV hit, the thirty-nine-episode TV series *Fushigi no Umi no Nadia*, "Nadia of the Mysterious Seas," available in English from ADV Films under its alternate name *Nadia: Secret of Blue Water*.

The success of *Nadia* (during the early 1990s its eponymous heroine slugged it out constantly in the "favorite character" polls with Sailor Mercury) helps to explain why when *Eva* first came out in 1995 it was considered Gainax's *comeback*. Regrettably, however, Gainax, in the words of *Evangelion* producer Hiroyuki Yamaga, did not make "a red cent" off of *Nadia*, having no percentage of the rights in the series—*Eva* was the first anime that Gainax owned a piece of, and of course, it turned out to be an even bigger hit.

It is not known precisely how Kosuke Fujishima met Hideaki Anno, but it is possible it was through their mutual friend, *Golden Boy* manga-ka Tatsuya Egawa, under whom Fujishima trained (Yoshitoh Asari, who draws the introductory manga to *Oh My Goddess! Colors*, is also friends with both Fujishima and Anno). If the editor recalls correctly, there was some talk about Mr. Fujishima getting involved with Gainax's never-produced sequel to *Royal Space Force*, *Aoki Uru*, doing plane designs. Note, by the way, that Anno immediately lines up to join the club in 75.4.

78.2: Sayoko calls him by his first name

84.1: Otaki's nickname for Tamiya. Further explained in Vol.4!

120.6: Another demon named after a famous scientist—in this case James Clerk Maxwell, the most important physicist of the nineteenth century. Among many other things, he formulated the basic equations that describe electromagnetism—the theoretical foundation of our modern wired civilization. Fujishima, however, did not come up with the idea of "Maxwell's Demon"—Maxwell himself came up with it, as an exercise in thought. The demon acts as Fujishima describes here. For Maxwell the purpose of the exercise was to question whether entropy must always equalize in two halves of a closed system; Fujishima, however, uses it to provide some doubletalk as to why Belldandy's broom can fly ^_^

133.3: The odd formatting of the dialogue in this sequence is an attempt to reflect such elements in the original, including odd English, use of katakana to spell out Japanese words, and a switch between word balloon text written horzintally (the Japanese default) and horizontally.

144.2 I swear by Go Nagai, the black tights were in the original.

Well, that's all for now. Thank you once again, as always, for reading *Oh My Goddess!* Next volume, thrill to the peroxided evil of everyone's favorite glam-rock demonness, Mara!

"Now that I'm up to the third volume, I'm becoming used to seeing ***Oh My Goddess!*** *on the shelves. I get worried about how good the sales will be, and whenever I'm in a bookstore, I keep an eye out to see if anyone's buying one. Startlingly, I've never actually seen it happen. MANGA/HUMOR

Oh My Goddess!

ああっ女神さまっ 3

NO SOONER HAS BIG SISTER

Urd descended, then she tries to alleviate her boredom by shoving Bell and Keiichi together, preferably by wicked spells gone horribly wrong. Of course, good-intentioned sorcery from Belldandy doesn't necessarily lead to better results, as she creates a dim-witted, cross-dressing clone of Keiichi to help him pass an exam! Then, a would-be romantic rival appears—and not from the usual pack of greasy anthropoids Keiichi hangs out with. *This* guy drives a *Ferrari*!
